

## 1.halaman login

- terdapat image dengan tulisan belajar pemrograman/icon love
- terdapat 3 form:username,password dan status
- untuk status menggunakan combobox atau dropdown

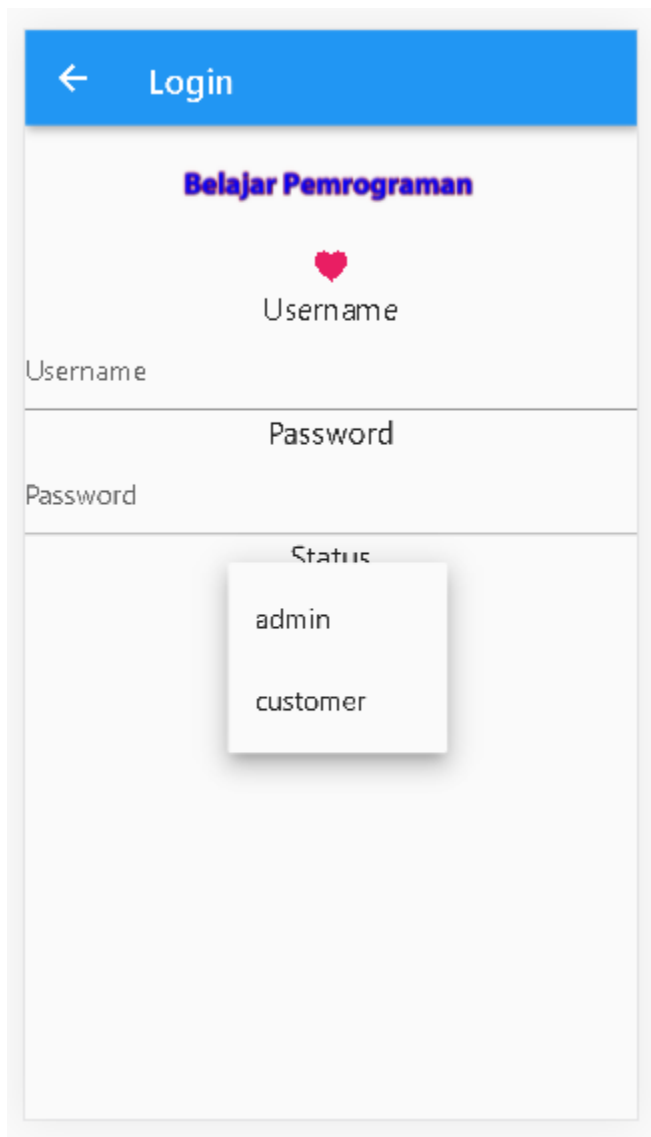

The image shows a mobile application login screen. At the top is a blue header bar with a white back arrow and the text 'Login'. Below the header, the text 'Belajar Pemrograman' is displayed in a bold, purple font. Underneath this text is a red heart icon. The form consists of three stacked input fields: 'Username', 'Password', and 'Status'. The 'Status' field is a dropdown menu currently showing 'admin' with a downward arrow. At the bottom of the form is a grey button labeled 'Login'.

Field	Label	Value
Username	Username	
Password	Password	
Status	Status	admin

Login

-saat klik dropdown akan tampil value status : admin dan customer

The image shows a mobile application login screen. At the top is a blue header bar with a white back arrow and the text 'Login'. Below the header, the text 'Belajar Pemrograman' is displayed in a bold, purple font, followed by a red heart icon. The form consists of three input fields: 'Username', 'Password', and 'Status'. The 'Status' field is a dropdown menu that is currently open, showing two options: 'admin' and 'customer'. The 'Username' and 'Password' fields have their respective labels above them and placeholder text below them. The 'Status' field has its label above it and the dropdown menu is positioned directly below it.

customer ▼

Login

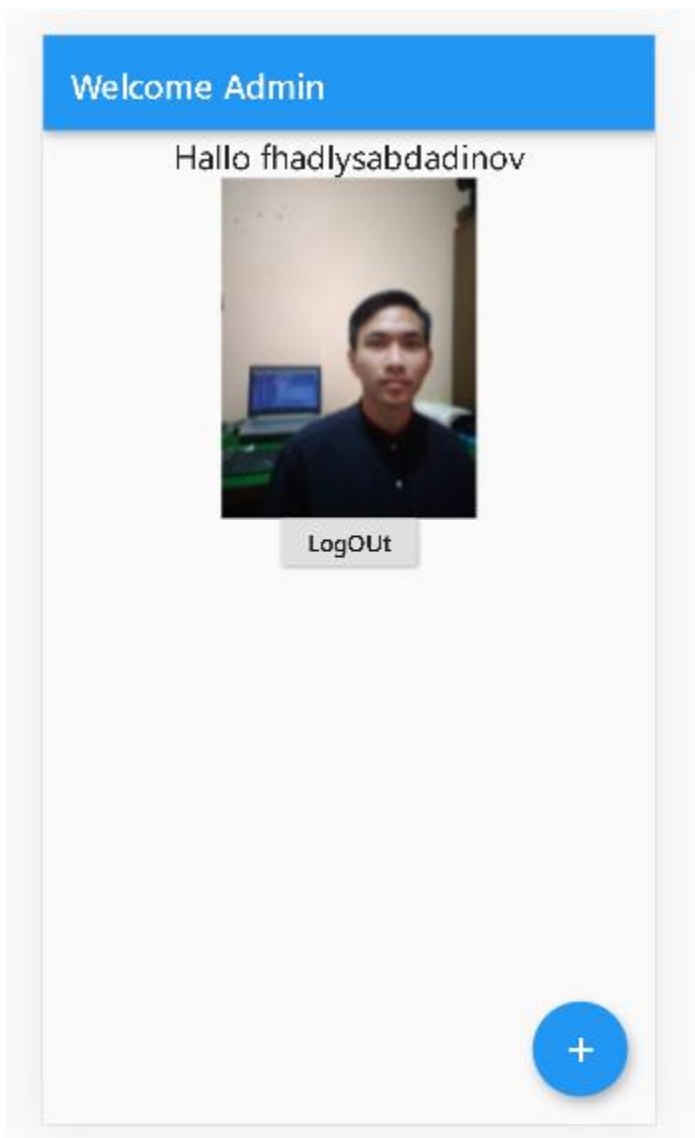

Login Fail

3. jika sesuai akan tampil seperti ini akan masuk ke halaman admin karna di database username fhadlysabdadinov dan password 183510802 berstatus admin

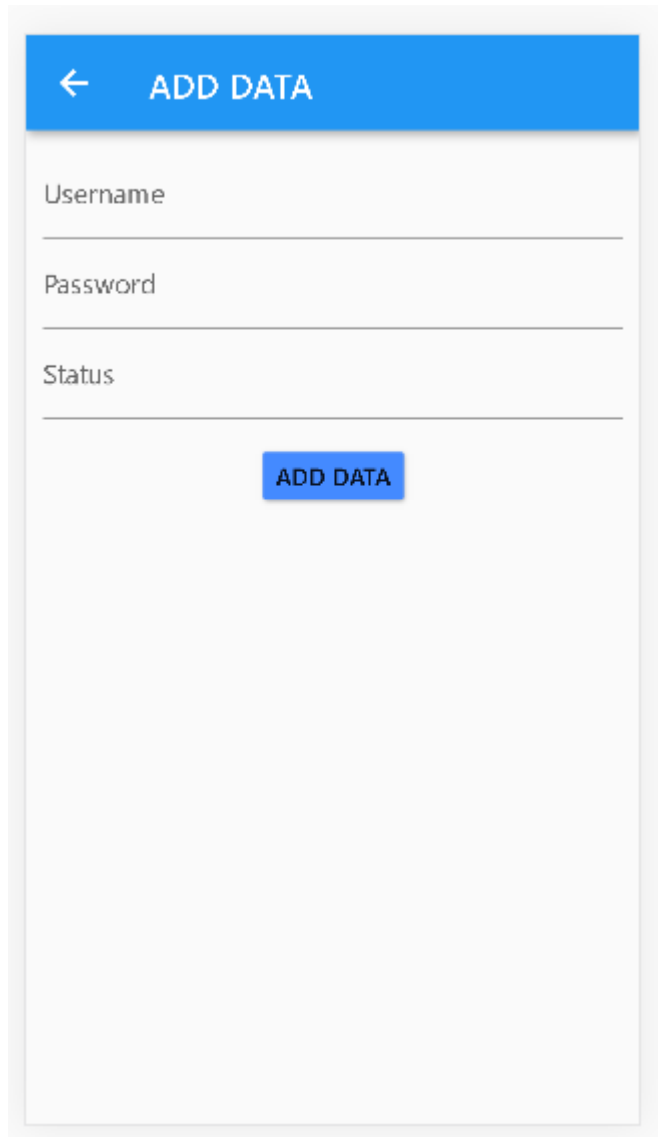

-terdapat nama admin yang login

-image/foto admin

-form untuk menambah customer di bagian bawah yang bertanda tambah

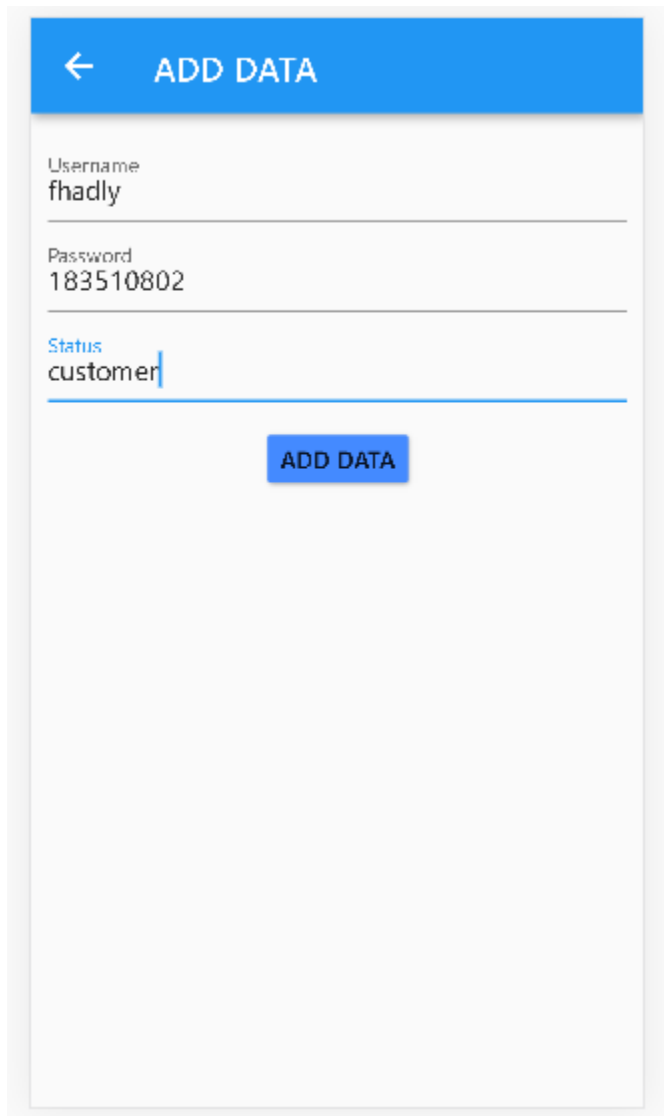

-jika kita tekan tanda tambah tersebut maka akan tampil seperti ini, jika ingin menambahkan data, isi data sesuai yang diminta dan tekan tombol add data

The image shows a mobile application screen with a blue header bar containing a back arrow and the text "ADD DATA". Below the header, there are three input fields labeled "Username", "Password", and "Status". Each field has a horizontal line for text entry. At the bottom of the form, there is a blue button with the text "ADD DATA" in white capital letters.

-saya coba menambah data

The screenshot shows a mobile application interface with a blue header bar containing a back arrow and the text "ADD DATA". Below the header, there are three form fields. The first field is labeled "Username" and contains the text "fhadly". The second field is labeled "Password" and contains the text "183510802". The third field is labeled "Status" and contains the text "customer". Below the form fields, there is a blue button with the text "ADD DATA".

customer

ADD DATA

4. setelah menekan tombol add data, akan menuju halaman admin dan cek di database akan tampil data yang sudah ditambah

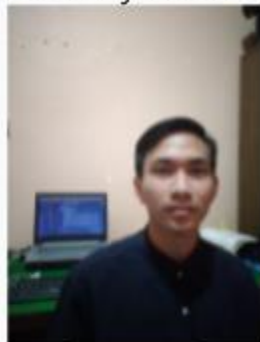

- jika ingin ke halaman login tekan tombol logout

+ Options

				id	username	password	status
<input type="checkbox"/>		Edit		Copy		Delete	1 fhadlysabddadinov 183510802 admin
<input type="checkbox"/>		Edit		Copy		Delete	2 fhadlysabda 183510802 customer
<input type="checkbox"/>		Edit		Copy		Delete	5 fhadly 183510802 customer

Welcome Admin

Hallo fhadlysabddadinov

LogOut

+

5. jika ingin ke halaman daftar customer, login dengan status customer contohnya seperti

Login

**Belajar Pemrograman**

Username

fhadly

Password

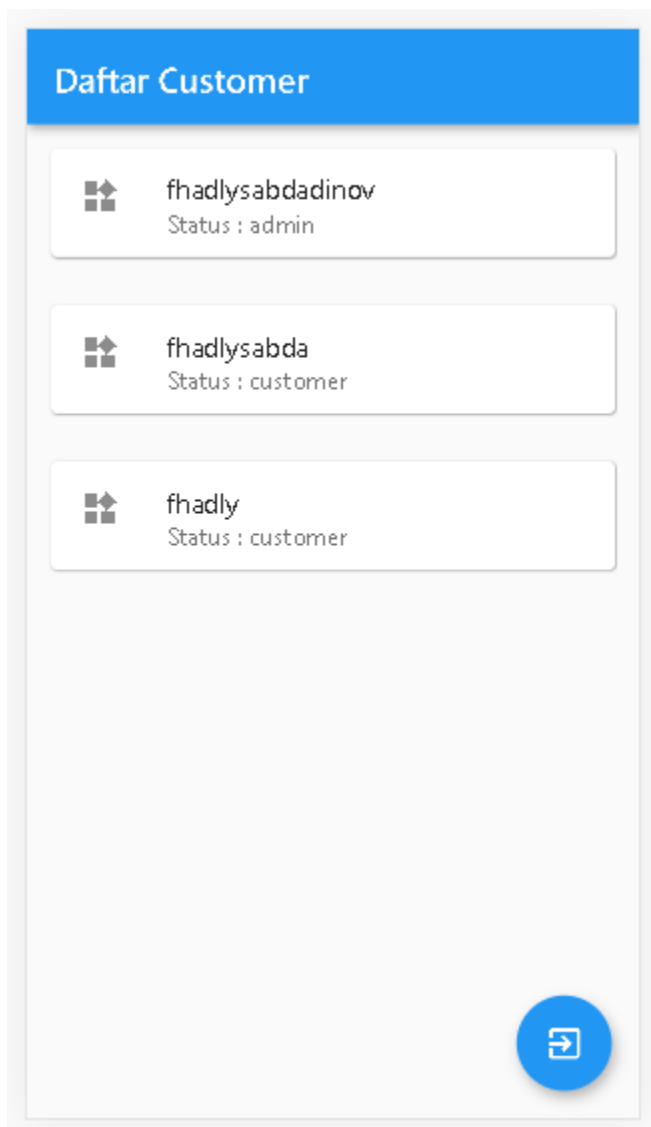

.....

Status

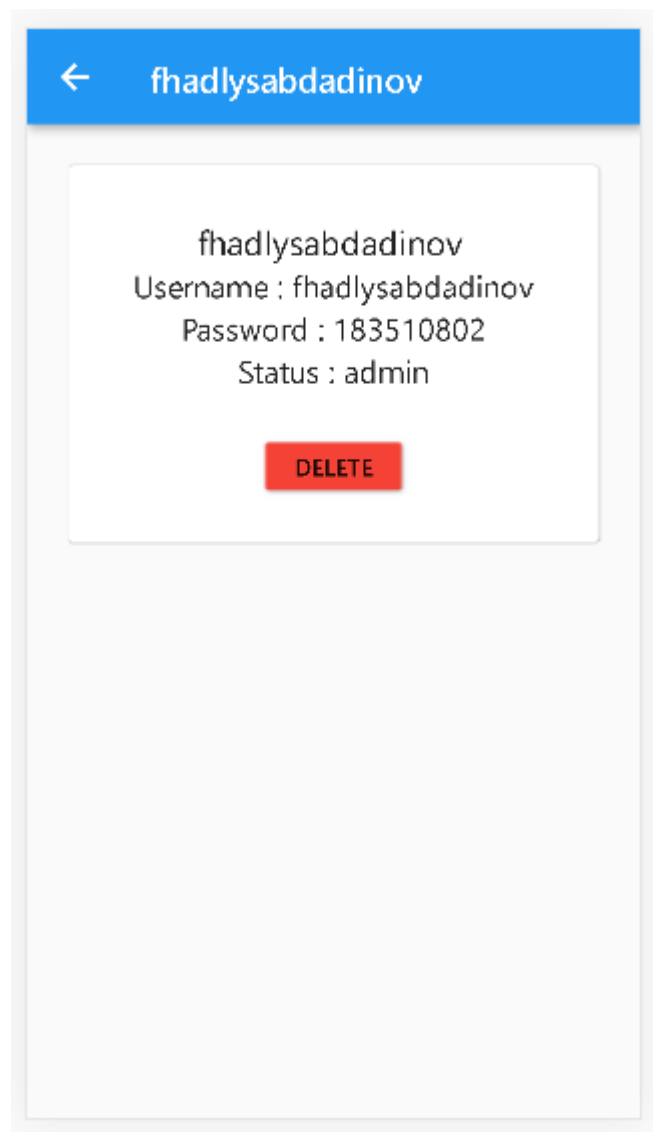

customer ▼

Login

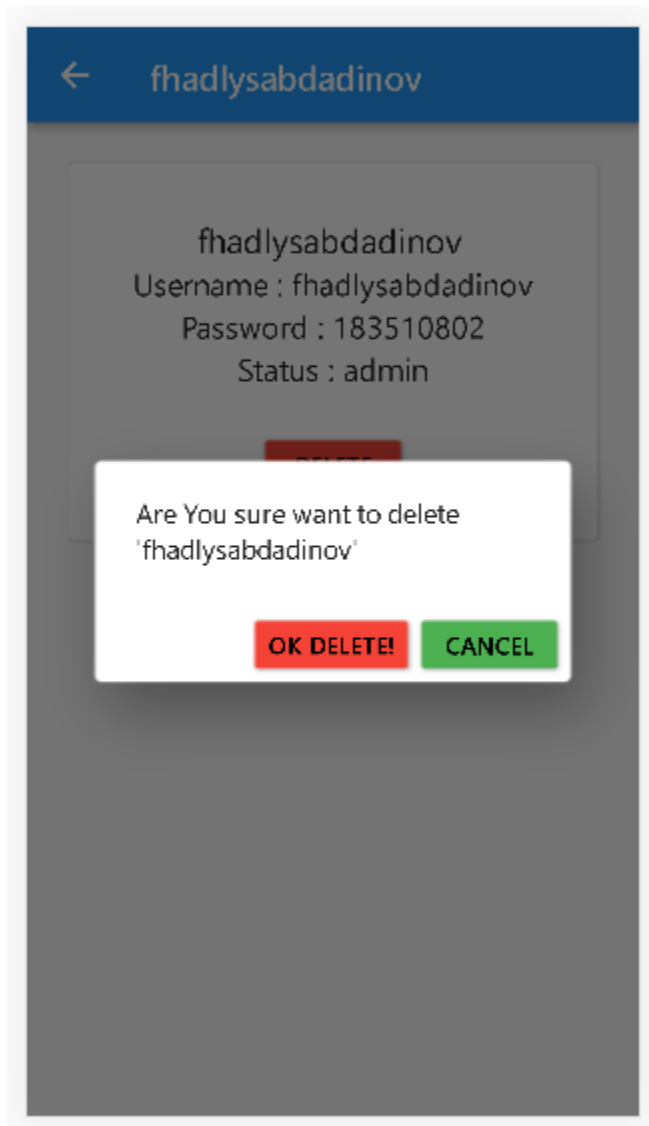

-setelah tekan tombol login akan tampil seperti ini,terdapat daftar customer yang sudah ditambah tadi dan tombol logout di kanan bawah

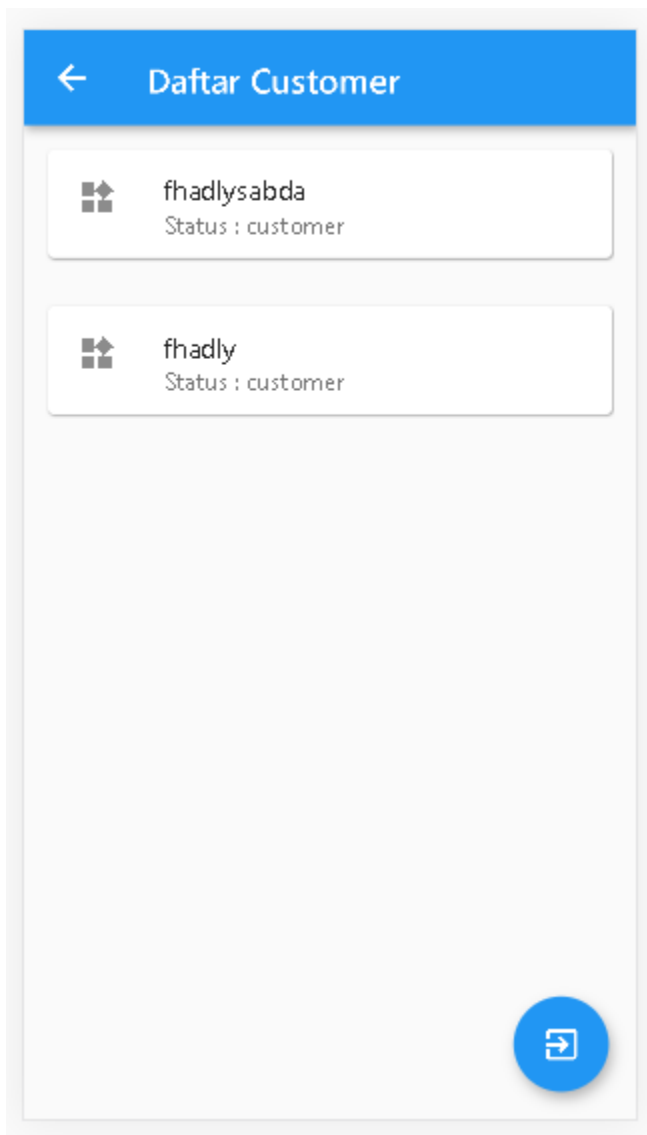

-jika kita tekan data tersebut akan tampil detail dari data tersebut dan fitur hapus

-jika kita tekan tombol hapus maka akan tampil seperti ini,jika cancel akan kembali,jika ok delete! Maka data akan hilang di halaman daftar customer dan juga database

-tampilannya akan seperti ini setelah delete data fhadlysabdadinov

-tampilan di database setelah delete data fhadlysabdadinov

+ Options

				id	username	password	status
<input type="checkbox"/>		Edit		Copy		Delete	2 fhadlysabda 183510802 customer
<input type="checkbox"/>		Edit		Copy		Delete	5 fhadly 183510802 customer
